Presented by
U.S. Fish and Wildlife Service
Arizona Game and Fish Department

November 16, 2001

Phoenix
State Fairgrounds
AGFD Wildlife Building
McDowell and 17th

1:00 pm – 5:00 pm

November 29, 2001

Tucson
Arizona-Sonora Desert Museum
Ironwood Gallery Room
2021 N. Kinney Rd. (take Gates Pass

Rd. or Ajo Highway to Kinney Rd.
and go west past Old Tucson)
1:00 pm to 5:00 pm

**Please RSVP to Scott Richardson, AGFD (520-628-5376x153 or srichardson@gf.state.az.us) or Mike Wrigley, USFWS (602-242-0210x249 or Mike_Wrigley@fws.gov) by November 14, 2001 so we can have enough materials for each session.

This training seminar is intended for new surveyors. We will present the basic biology of the pygmy-owl, habitat, and an overview of the current protocol and landowner guidance. Information presented is similar to the session presented in 2000. If you attended that training session, there is no need to attend this year's session, unless you'd like a refresher. If you have any questions, please contact Scott or Mike at the above numbers.
